Southwestern Oregon

# Octagon Luncheon-Learn Educational Seminar

**November 8th, 2016**

“Acoustic Ceilings: For the Eye, the Ear, and  
the Mind”

**CertainTeed**  
SAINT-GOBAIN

---

## **Course Objectives Include:**

- Learn how a suspended ceiling can positively affect general space design
- Learn about the Noise Reduction Coefficient (NRC), frequency, hertz, and assessing the acoustic performance of a product.
- Learn about Ceiling Attenuation Class (CAC) and Light Reflectance (LR)
- Learn about Environmental Certifications and the power of enhanced acoustic environments

**After the conclusion of the presentation, a brief discussion will elaborate on how CertainTeed products and services can help to resolve many project concerns outlined in the presentation.**

-----
